

THE LONGITUDINAL STUDY OF ME!

Note: All questions should be answered in detail, not just with one word, or even one sentence if the question demands it. Even when the question sound like it's not asking for much, questions can be extended upon to give better detail, or more representative answers that will be of interest in the future.

How old are you, exactly (years, months, days)?

How ya doing? (If this isn't a good response, come back later. I don't want biased answers.)

What time is it?

Do you currently have any other ones of these time-capsule/letter-things outstanding? If so, state what they are.
